

# The Great Beach Scavenger Hunt

## Rules:

Stay together as a team.

Only pick a small piece of grass, seaweed etc.

If you pick any shells with creatures in them, make sure you remember where to bring them back too.

1. Get some Marram Grass from the dunes
2. Get any other tough sea plant...
3. Get one winkle shell.
4. Get some green seaweed from the upper tidal zone.
5. Get one limpet shell.
6. Get some brown seaweed from the middle tidal zone.
7. Get an oyster or a muscle shell.
8. Get some brown seaweed from the lower tidal zone.
9. Get any one of the edible shells.
10. Find three pieces of sea treasure, one piece of driftwood and two others...

Can you make a sea creature from materials you find on the beach?
